The first screenshot shows a 'scan errors' dialog box with a list of file or directory paths and messages indicating access denials. The second screenshot shows the 'Details view for folder Program Files (x86)' with a table of folder contents and their sizes. The third screenshot shows the main HDGraph interface with a sunburst chart and a '[Resize preview]' button.

scan errors

Here is the list of errors encountered during the scan. The size of each file or directory present in this list has NOT been included in the graph, because HDGraph didn't succeeded in reading it.
